FINISH

After successfully login & entering trip details, the Dashboard page is open. Now you need to connect to your vehicle.

5. Tap **Not connected** icon to connect to your vehicle.

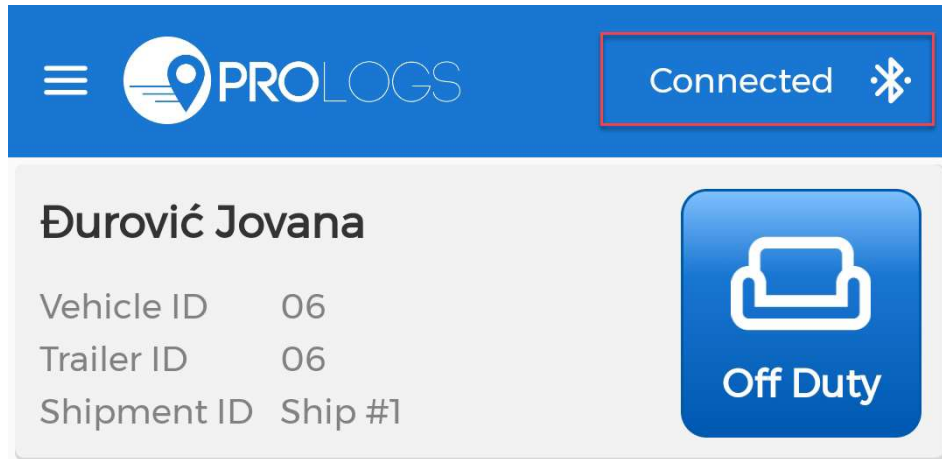

Please ensure that Bluetooth is enabled on your device before you connect to the ProLogs app. If Bluetooth is not enabled, ProLogs will ask you to turn on Bluetooth.

6. Tap **CONNECT** to establish connection with the vehicle.

7. An icon will change upon successful connection

Start Driving

Once you've completed all of the pre-trip tasks in this section, you're ready to drive.

1. Tap on **duty status** button to change current duty status

2. Select a duty status from the list. Insert **Remark** and tap **SET STATUS**

PRO LOGS

Set your duty status

| | |
|--|--|
|  Off Duty |  Sleep. Ber. |
|  Driving |  On Duty |
|  Pers. Conv. |  Yard Move |

Odometer
296881 × KM

Remark
0/60

SET STATUS

3. When your vehicle is moving at 5 MPH or greater, your duty status will automatically switch to **Driving**, in accordance with the ELD mandate.
4. When the vehicle stops you will be back to Dashboard screen and you will be able to change your duty status by tapping current duty status icon and selecting some other status.
5. If your vehicle has stopped moving for five minutes you will be prompted with a question if you would like to change your duty status. If you ignore the question for one minute, your duty status will be changed to **On Duty**.

Data Transfer

1. From your Dashboard view, tap the hamburger icon  to open main navigation menu.
2. Tap **DOT Inspection**
3. Tap **START REVIEW** for visual inspection.
